

# Meet Our Stellenbosch Team

When we started growing Xpresso, finding the best locations was part of our plan to reach as many people as possible and Stellenbosch was always our most requested locations to open a store.

Stellenbosch was our 7th location in the chain of Xpresso stores in Cape Town and we are so happy that the students of Stellenbosch is always there to keep supporting us.

Our Shop manager, Linda is the perfect person to manage this store. She has such a caring nature and her compassion for people is tremendous. Running the store with a perfectly scheduled and managed team, makes this store extremely popular. This team has true heart and they work hard to serve each customer with compassion and respect.

As the owners of this store, I am very proud of how this team has grown and how kindly they treat each other and help each other improve daily. For those who have not yet been to our Stellenbosch store, we are located at the Eikestad mall, on the outside next to Roccomamas. You can see us from City Hall and we are walking distance from most student areas in Stellenbosch. Due to the fact that we are not inside the mall, but accessible from the outside, gives our customers the chance to quickly pop in for their well deserved coffee fix for the day.

We love having a store in Stellies and we would like to thank all of our regular customers for their daily support. We started Xpresso for the main reason to create a coffee environment that is affordable to all, so if you love coffee and it forms a part of your day, now you can have it 3 times a day for the same price as 1 cup somewhere else.

Our best sellers at the Stellenbosch store is the cappuccino, the chicken pie, custard croissant, top deck hot chocolate, the chocolate muffin and our famous ice coffee. Let us know if you have another favorite we don't know about yet.

Each of our stores also run our voucher options to pay it forward to the people around you that cannot afford to treat themselves. This pay it forward method has created thousands of happy faces in Cape Town since the first day we started Xpresso. You can be a part of the voucher campaign but buying a voucher from the cashier to either be placed on the voucher board for a walk in customer that does not have enough money to buy something themselves, or you can give the voucher out to someone you know or meet. This has created a beautiful community action and we encourage the voucher exchange instead of cash.

Have you been to visit our Xpresso Stellenbosch store yet? If not, find our locations on our website and come and meet this awesome team.

We look forward to seeing you all soon.

The Xpresso Stellies Team
