

YES, WE HAVE VOUCHERS!

It's time to spoil our customers and say thank you for your support. We are so excited to see you once we open back up, we just cannot wait. We truly miss our customers. I know many people say this, but we really do. To see the same familiar faces each day becomes like family and this makes the lockdown even harder for us.

We are offering, only while we remain in lockdown, a special sale on our vouchers. When you buy 4 vouchers, you get 1 for free. **THIS MEANS YOU PAY, R8 per item.** So not even do we usually sell our awesome goodies at R10 and its soooo worth it, we are now giving you the chance to get it at only R8 each.

How will this offer work?

During the lockdown period, you can purchase the voucher directly from our website at the discounted price. Once lockdown is off, you will collect your vouchers from your selected store and use them as you prefer. We want to make sure that even our loyal clients, that are always there for us, are spoiled in some way now. Things might be tough for a while, and if we can help out a little, we would love to do so.

We have multiple bundles available and we are asking our trusted community for their support during this time. This is a great opportunity for our customers to spoil their friends, loved ones and fellow employees.

The bundles come in groups of R40, which will give you 5 vouchers. Each R40 = 5 vouchers. So, R80 will get you 10 vouchers. This is a NEVER seen before special and will be cancelled as soon as lockdown is called off. We have made it easy for you to spoil someone else also, and we will be super excited to serve you once again with our freshly baked goods, yummy coffee and delicious sweet treats.

So head on over to our website, <https://xpressocafe.co.za/#vouchers> and support your favourite store by getting some vouchers for yourself and someone special in your life.

Do not wait, get your hands on your specially priced vouchers today!

Thank you for all your support.

Lots of love,

The Xpresso Team
